

The De Beers Jewellex Cocktail & Showstopper Event

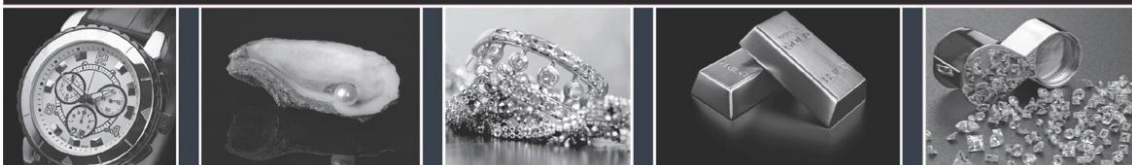

The Jewellery Council of South Africa is proud to announce that leading diamond company De Beers has provided the sponsorship for the cocktail function set to take place at Jewellex Africa 2014.

Taking place on the first evening of Jewellex Africa, on 2nd August, at 123 Rivonia Holiday Inn Hotel in Sandton, the 'De Beers Jewellex Cocktail & Showstopper' event promises to be an excellent networking opportunity as well as an occasion to meet important Industry and Government dignitaries.

The event will also act as the platform for the unveiling of one locally designed piece of jewellery to be named the Showstopper of Jewellex Africa 2014.

"We are extremely excited about receiving this sponsorship from De Beers. Support from the local industry is what will make Jewellex Africa 2014 a resounding success. The De Beers Jewellex Cocktail & Showstopper function is definitely something for the industry to look forward to," says Lorna Lloyd, CEO of the Jewellery Council of South Africa.

Invitations will be sent out soon and tickets will be sold at a cost of R220.00 + VAT = R250.80.
