

TRADE VISITOR AND HOTEL INFORMATION

AFRICA'S PREMIER JEWELLERY AND WATCH SHOWCASE

The Jewellex Africa Trade Fair attracts visitors from all over the world. This is the time when new merchandise lines and the most exclusive and extensive product ranges of watches, clocks, fine jewellery, pearls and precious stones, jewellery packaging, machinery, accessories and services available are offered to the local and international retail jewellery industry.

We aim to become the '**Jewellery Trading Hub of Africa**', and as such, the fair will concentrate its efforts on including more participation by African countries. As these states are on our doorstep, we would like to invite them to share in an opportunity to do business with South Africa.

Jewellex is the ultimate showcase for the industry where new product ranges are launched - the ideal platform for orders to be placed for the Christmas season.

Jewellex also provides an ideal opportunity to meet industry friends and network in both business and social environments.

Could you afford not to attend the only jewellery trade fair in southern Africa?

These undulating grounds have hosted many top events thereby providing ample proof of its outstanding condition. The beautiful scenery and lush foliage are what make this exquisite golf course one of the best in the country!
